

***We're so looking forward to seeing you!***

As we gear up to kick off BARNSIDE LIVE @ 5! outdoor music concert series, here is some general information:

**Time & Location:** The concerts will take place outdoors on the lawn next to Penguin Rep's theatre at 7 Crickettown Road in Stony Point, New York. (Directions are below).

The concerts begins @ 5:00 p.m. Please arrive at least 15 minutes prior to performance time to have plenty of time to park and get to your seats.

Follow the yellow pathway under the awning to get to the concert location.

**Parking:** There's plenty of available free parking located in the lower parking lot. Please use the parking spots located right next to, or across from, the theatre only if you have a handicapped parking permit or have difficulty walking. Do not park on the street.

**Seating:** All seating is reserved. No need to bring your own chair; there will be a comfortable cushioned seat waiting for you.

**Dress:** As the performances are outside, the weather may be hot (or cool), so we suggest that you dress for your comfort in order to enjoy the show. Bring an umbrella in case of rain.

**Rain or shine:** *In the event of inclement weather, the performance will be moved indoors to the well-ventilated auditorium at the Stony Point Center, located just up the street at 17 Crickettown Road.* There's plenty of free parking.

In case Mother Nature does not cooperate, you will receive an email notifying you of the change of venue.

In accordance with New York State guidelines and CDC recommendations, patrons must be fully vaccinated or have had a recent negative test result to attend indoors. If you have neither, or are only comfortable attending outdoors, contact us ASAP after receiving the notification email for a refund.

**Dining:** The North Rockland area is home to many outstanding restaurants featuring something for everyone. Whether you need a quick meal before or after the show or a fine dining destination, contact us for some recommendations @ [info@penguinrep.org](mailto:info@penguinrep.org).

**COVID-19 Safety Protocols:** As the State of New York has recently lifted virtually all of its COVID-19 safety requirements, fully vaccinated folks do not need to wear masks or practice social distancing. (Of course, you are free to wear a mask or social distance if that makes you more at ease).

Pursuant to CDC guidelines, if you are not vaccinated or do not have proof of a recent negative test result, you MUST wear a mask.

Thanks for your cooperation in keeping everyone safe!

**If you have any additional questions, please don't hesitate to reach out to us directly @ [info@penguinrep.org](mailto:info@penguinrep.org)**
